Criteria

This Open Badge has been issued to a person, who has created an account to Open Badge Passport / who has taken Open Badge Passport into usage.

Open Badge Passport is a free service developed by Discendum, where the user can save / store the Open Badges they've earned. The user can share their Open Badges to other users inside the service as well as outside the service to different social media services. Open Badge Passport has also a tool with which the user can create miniportfolio pages consisting of their Open Badges and other content and publish those pages to other users as well as to the internet.
